HEAVY-DUTY PICK-UP BROOM

SKID STEER ATTACHMENT

CLEAN AND CARRY...

Sweep, clean and scrape mud going forward or in reverse. Ideal for construction, industrial or municipal jobs, the Heavy-Duty Pick-Up Broom is easy to attach and simple to operate on your skid steer. The reversible cutting edge helps cut loose caked-on mud, while the sweeper's poly bristles deposit dirt and debris in the container which can be dumped when full.

FEATURES

- Large 26" diameter wafers for longer life
- Reversible bristle direction for multi-purpose
- Completely covered to control dust – ideal for warehouses, machine sheds, parking lots, job sites etc. where dust containment is a **MUST!**
- Our universal quick attach plates fit most skid steers
