MINI PICK-UP BROOM

MINI SKID STEER ATTACHMENT

SWEPT AWAY...

Sweep clean and scrape mud going forward or in reverse. Ideal for construction, industrial or municipal jobs, the Mini Pick-Up Broom is easy to attach and simple to operate. Replaceable cutting edge helps remove caked-on mud, while the sweeper's poly bristles deposit dirt and debris in the container, which can be dumped when full.

FEATURES

- Direct-Drive design
- Adjustable arbor allows control over bristle pressure to surface while extending bristle life
- Replaceable cutting edge
- Completely covered to control dust. Ideal for warehouses, machines sheds, parking lots, job sites, etc. where dust containment is a must!
- Reversible bristle direction for sweeping backwards
